

INTER-AFRICAN COMMITTEE ON TRADITIONAL PRACTICES (IAC)
Affecting health of women and children

RESEARCH - ADVOCACY- POLICIES – ACTION

The Inter African Committee on Traditional Practices Affecting the Health of Women and Children (IAC), with support from the African Union and the Permanent Missions of Italy and Norway, cordially invites your participation and presence at the International Conference on the implementation of human rights-based approaches towards ending FGM and other harmful traditional practices. The conference is structured around the following:

- Best practices against FGM
- Legal frameworks, policies & action: Stock-taking & Gaps
- Research, data and advocacy
- Strengthening partnerships and stakeholder networking
- Challenges to ending FGM incl. in diaspora: political, socio – economic and religious factors
- Call to Action & Way forward
